NEW FRONTIERS IN

COSMETIC MEDICINE & MEDICAL DERMATOLOGY

Dear Sponsor,

I would like to personally invite you to become an integral supporter of the 9th Annual **New Frontiers in Cosmetic Medicine and Medical Dermatology Symposium** taking place on November 16-17, 2019 at the Hilton Hotel in Hasbrouck Heights, New Jersey. Sponsoring the Symposium will give your company the opportunity to get in front of an audience of approximately 150 physicians, nurses, and physician's assistants specializing in dermatology. Due to its unique educational offering, the Symposium also attracts an audience of residents, fellows

and medical students who are at an impressionable stage of their careers and eager to learn from our expert faculty and hear from our supporters on the latest procedures, services and tools shaping the future of dermatology.

The first day of the Symposium will feature innovative educational sessions with question and answer panel discussions and roundtable discussions. The second day will feature live patient workshops allowing for an interactive learning environment for attendees to learn new techniques and skills in injectable treatments.

We thank you in advance for enabling us, through your support, to organize the New Frontiers in Cosmetic Medicine and Medical Dermatology Symposium and look forward to welcoming you to the Symposium in November.

Yours Respectfully,

David J. Goldberg, M.D., J.D.
