NEW FRONTIERS IN COSMETIC MEDICINE & MEDICAL DERMATOLOGY

Dear Sponsor,

It is with great pleasure that I invite you to be an integral supporter of the 14th Annual New Frontiers in Cosmetic Medicine & Medical Dermatology Symposium taking place on November 15-17, 2024 at the Hilton Hotel in Hasbrouck Heights.

In recent years, the symposium has experienced remarkable expansion, reaching new heights in 2023 with our largest turnout to date—over 300 attendees and a fully booked exhibit hall featuring 45+ sponsors. The overwhelming success of our past gatherings underscores the growing significance of our event within the industry. As we gear up for 2024, we anticipate even

greater demand and encourage you to secure your spot early. Given the enthusiastic response in previous years, we are determined to sell out once again.

By sponsoring the Symposium, your company gains the valuable chance to engage with a diverse audience, including physicians, nurses, and physician's assistants specializing in dermatology. Moreover, given its distinctive educational offerings and its proximity to numerous dermatology training programs, the Symposium draws the attention residents, fellows, and medical students in dermatology training programs. These individuals are at a pivotal stage in their careers, displaying a keen eagerness to absorb knowledge from our esteemed faculty and to glean insights from supporters like your company. Your sponsorship will not only position your brand in front of seasoned professionals but will also resonate with the next generation of dermatology practitioners, as they seek to stay abreast of the latest procedures, services, and tools shaping the future of dermatology.

I encourage you to review our sponsorship opportunities and consider adding an advisory board, hands-on workshop, product theater, or live demonstration to your sponsorship to ensure your organization has the most valuable experience at NFCM. We thank you in advance for enabling us, through your support, to organize the NFCM and look forward to welcoming you to the Symposium in November.

Yours Respectfully,

David J. Goldberg, MD, JD
Director, NFCM
